Headline:
Cold, but rather cloudy. Any light showers easing overnight.

This Evening and Tonight:
Rather cold and cloudy, with the odd light shower during the evening, clearing all parts by midnight. Eastern areas staying rather cloudy, but clearer spells elsewhere will lead to another cold night, with frost. Icy patches also possible. Minimum temperature -2 deg C (28 deg F).

Saturday:
A cold and rather cloudy start, but some sunny spells likely to develop through the day. Isolated showers are possible by the late afternoon, mainly towards the east Kent coast. Maximum temperature 5 deg C (41 deg F).

Outlook for Sunday to Tuesday:
Staying cold, with a mixture of rain, sleet and perhaps snow showers throughout the period, although any snow mainly confined to hills. Brisk northeasterly winds. Frost and ice risk throughout.
